

Transcript: The University of Texas at Tyler, School of Nursing: Continuing Nursing Education program (CNE)

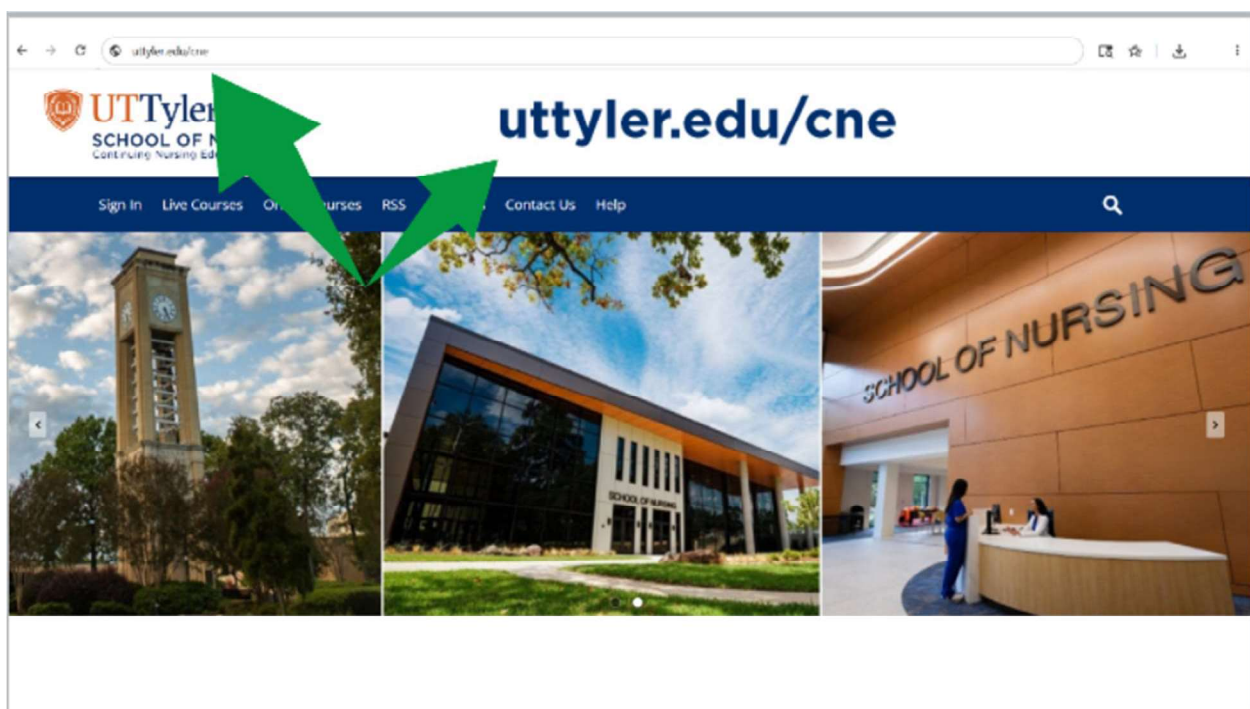

Welcome! To The University of Texas at Tyler, School of Nursing: Continuing Nursing Education program (CNE). We are committed to supporting nurses through evidence based, innovative, and accessible lifelong learning opportunities.

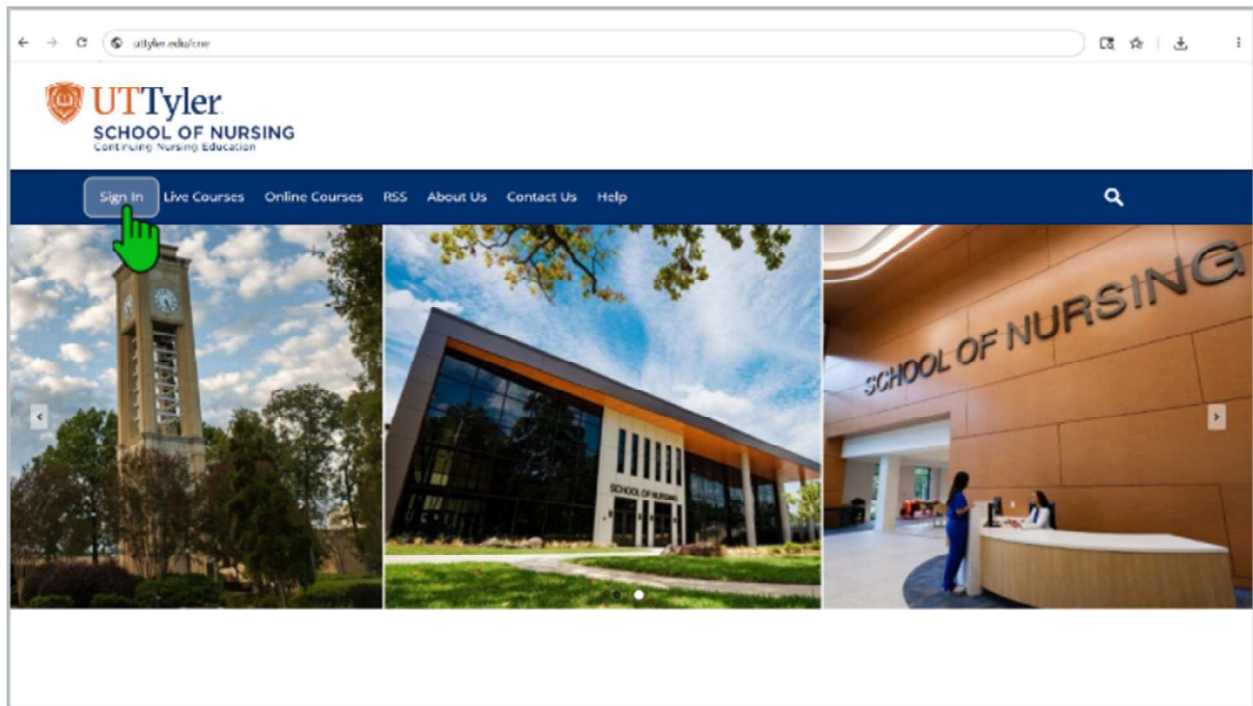

As a cloud-based accreditation management system, this platform is easy to use and helps everyone ensure compliance for continuing education.

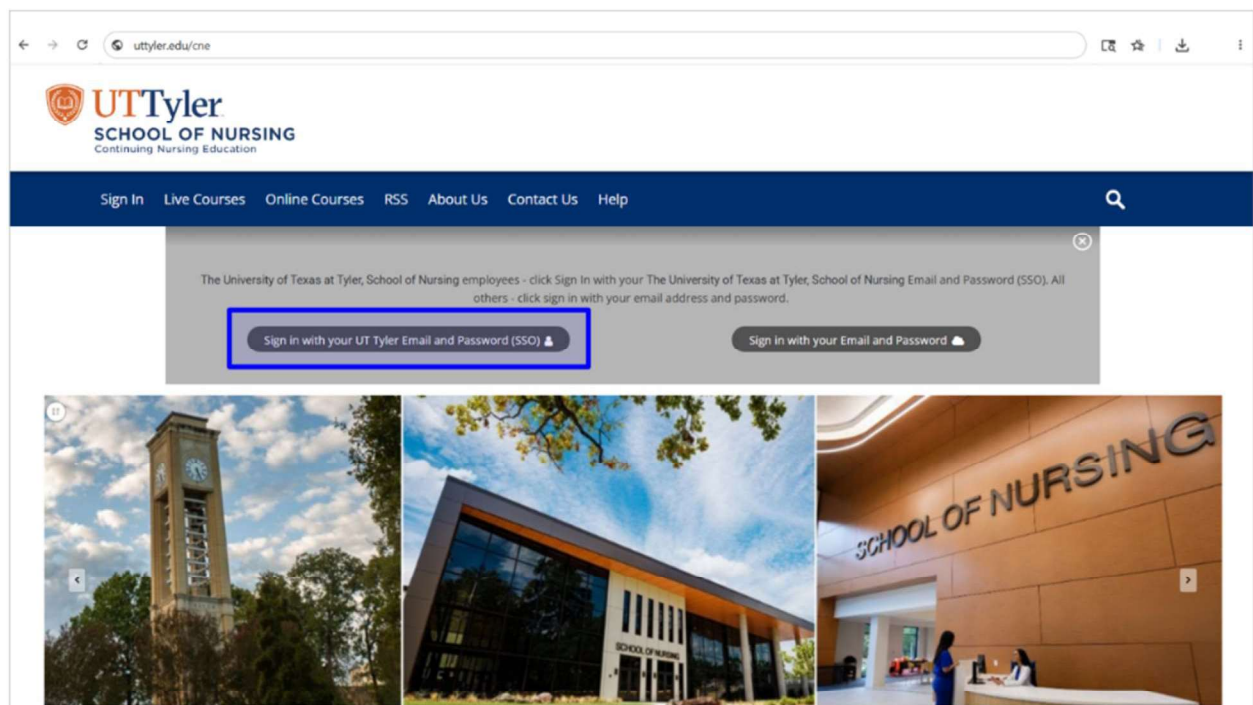

You can create a new CNE account in two ways: through the website or the mobile app. Let's begin by reviewing how to access this cloud-based platform through the website.

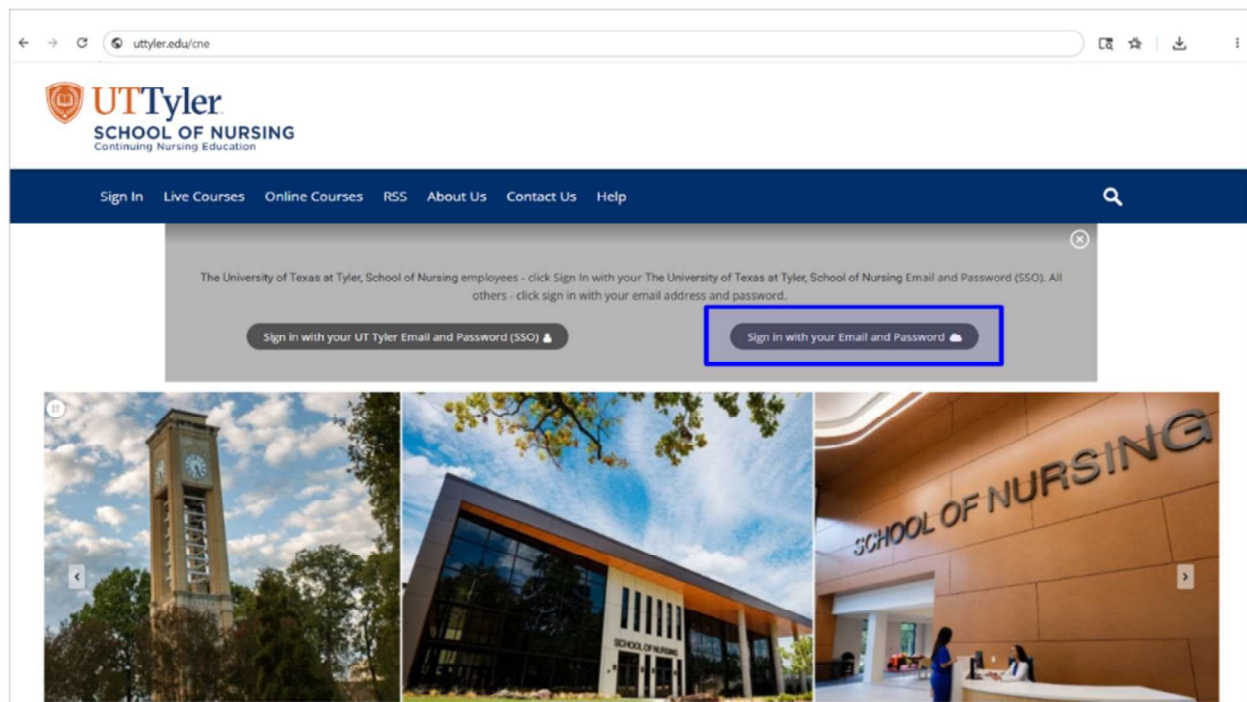

To access the platform through the website, visit **uttyler.edu/cne**. We recommend bookmarking this site for quick and easy access to courses and registration.

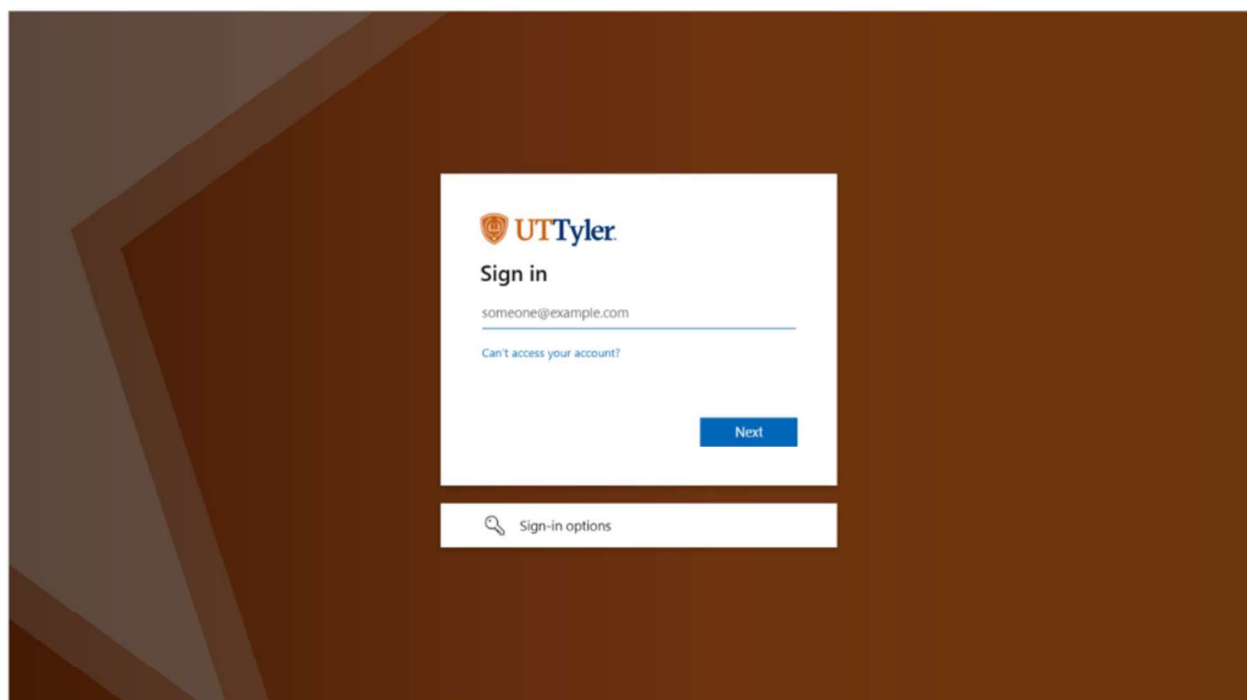

To begin, click on “Sign In”.

After selecting “Sign In”, a window will appear with two login options. Current employees should sign in using their UT Tyler email address and password.

All others should click on “Sign in with your email and password.” Choose the option that applies to you.

If you are a university employee, you will be prompted to sign in through single sign-on.

You can access additional account/course details.

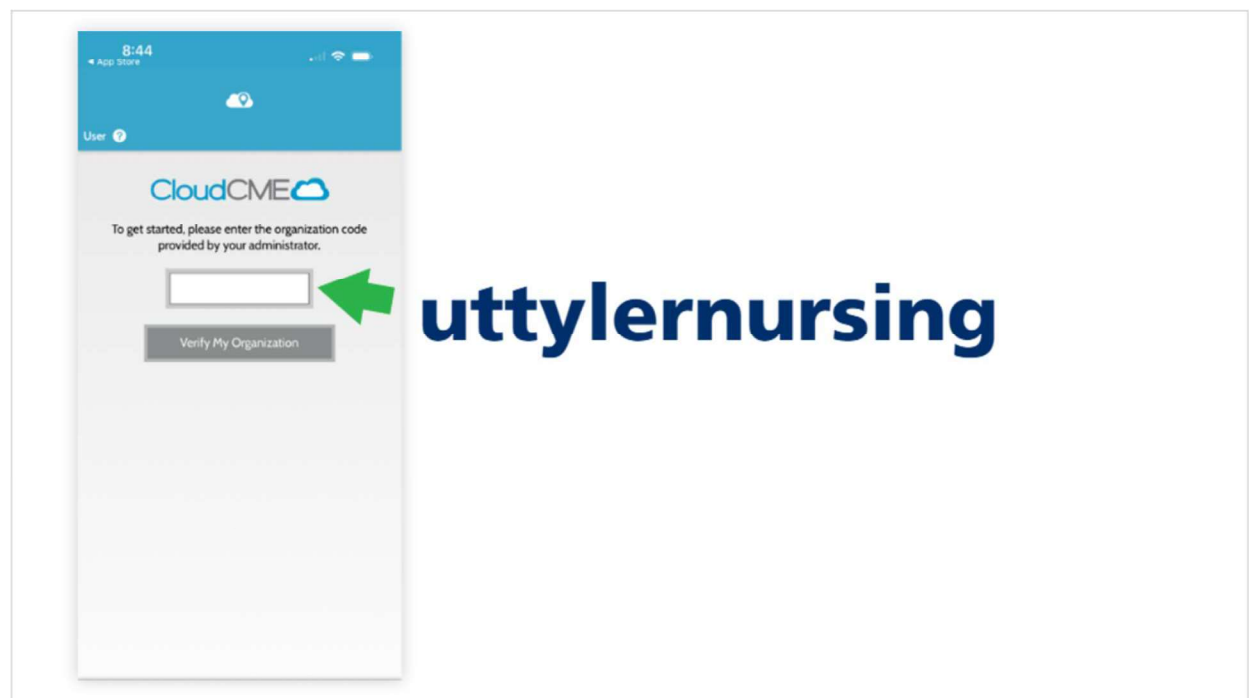

If you ever have a question while using the platform, click the “Help” button for additional guidance and support.

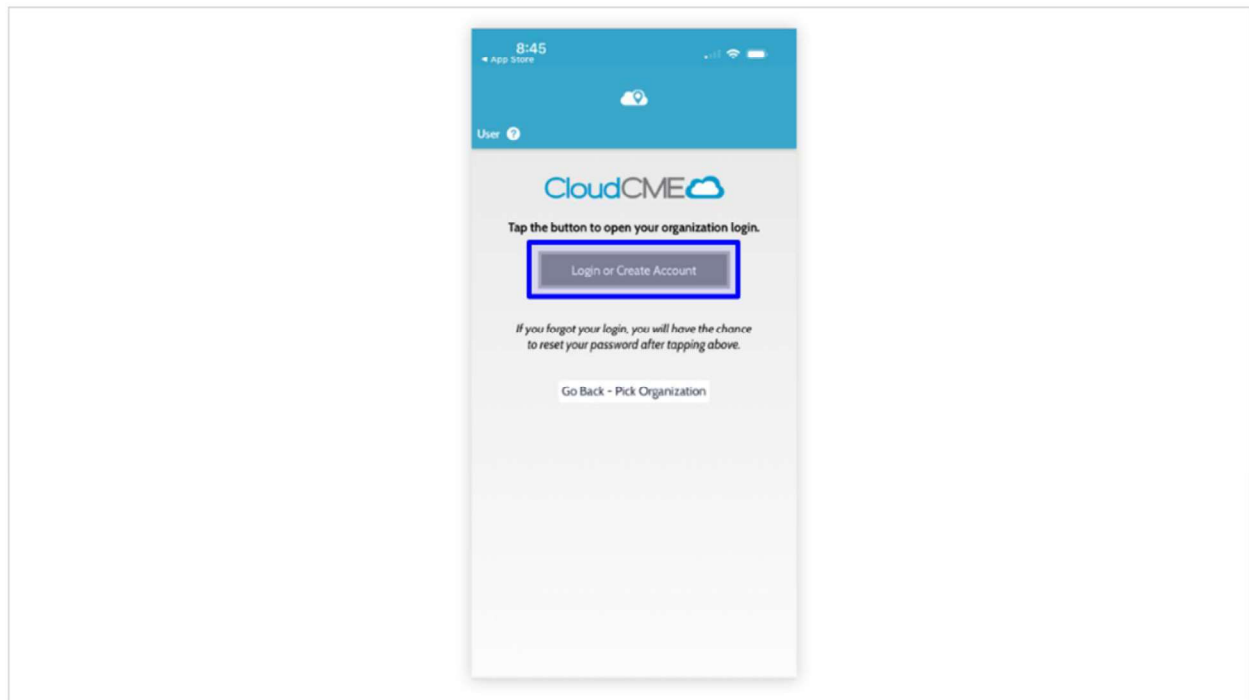

If you cannot find the information you need in the “Help” section, please email us at nursingce@uttyler.edu

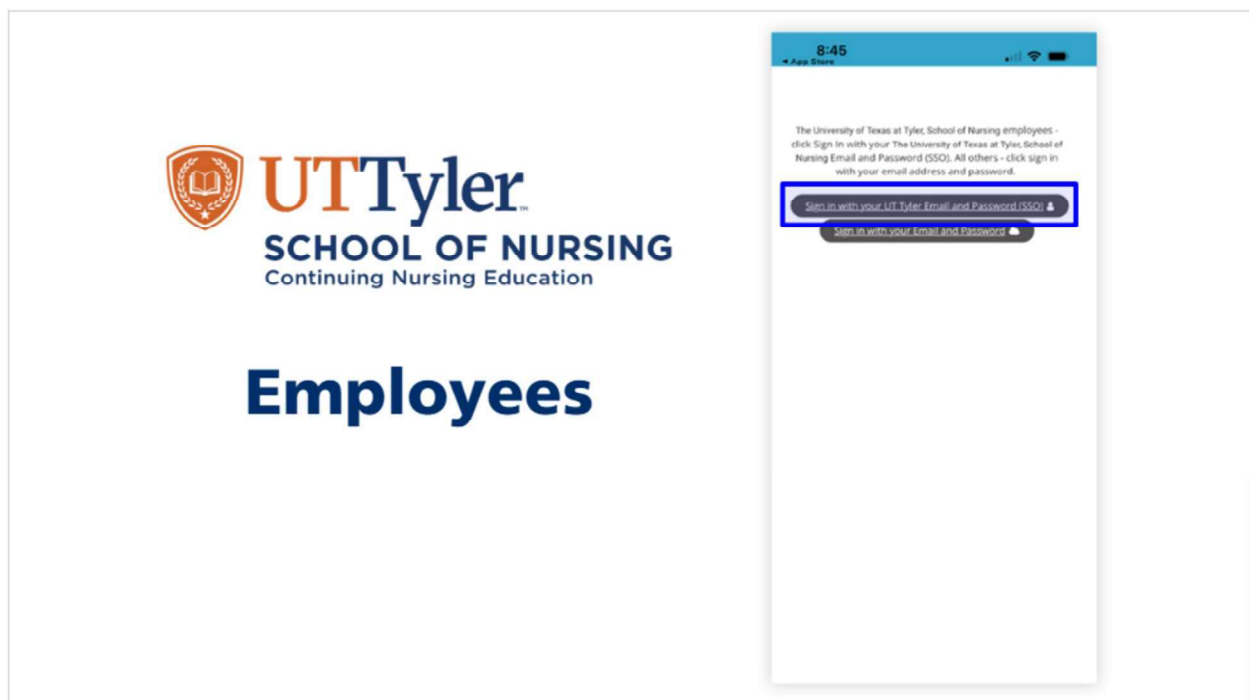

UT's School of Nursing uses the “CloudCME™” cloud-based accreditation management system. To access the mobile version on your phone, download the “CloudCME™” app from your device’s app store. This app may be downloaded at no cost.

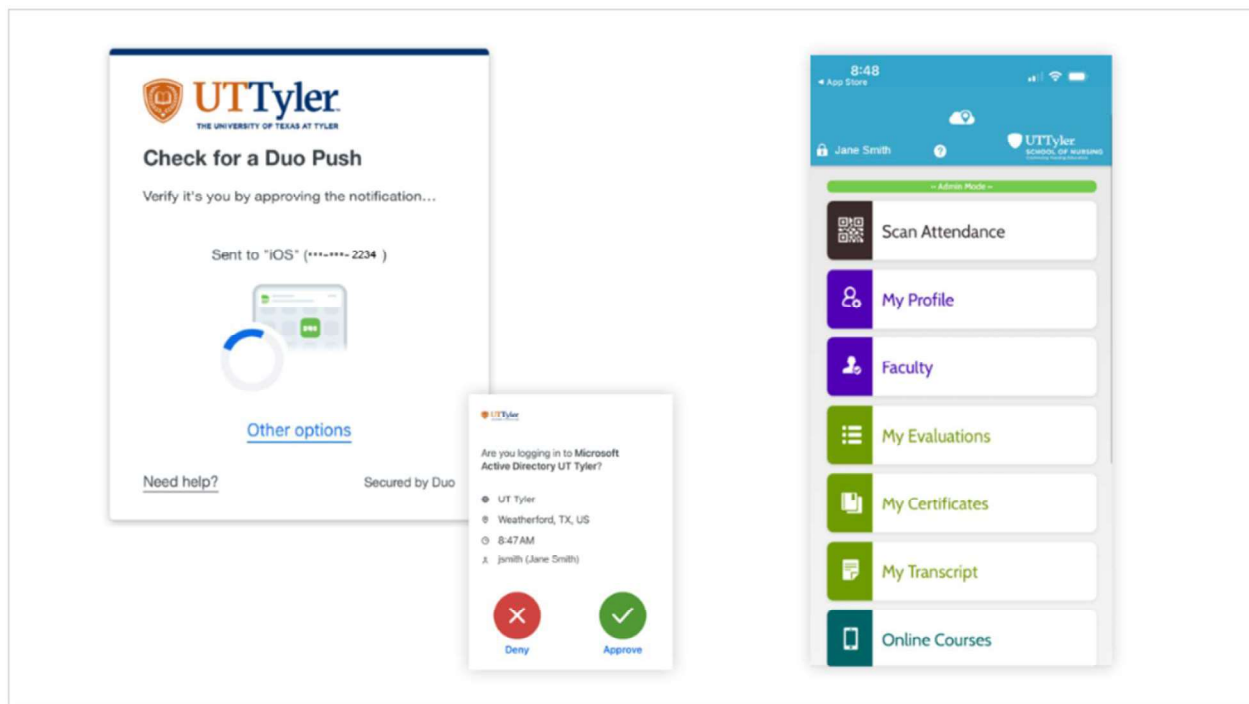

Once you've downloaded the app, you will be prompted to enter an organization code. Type in: **uttylernursing**. Capitalization does not matter. No spaces

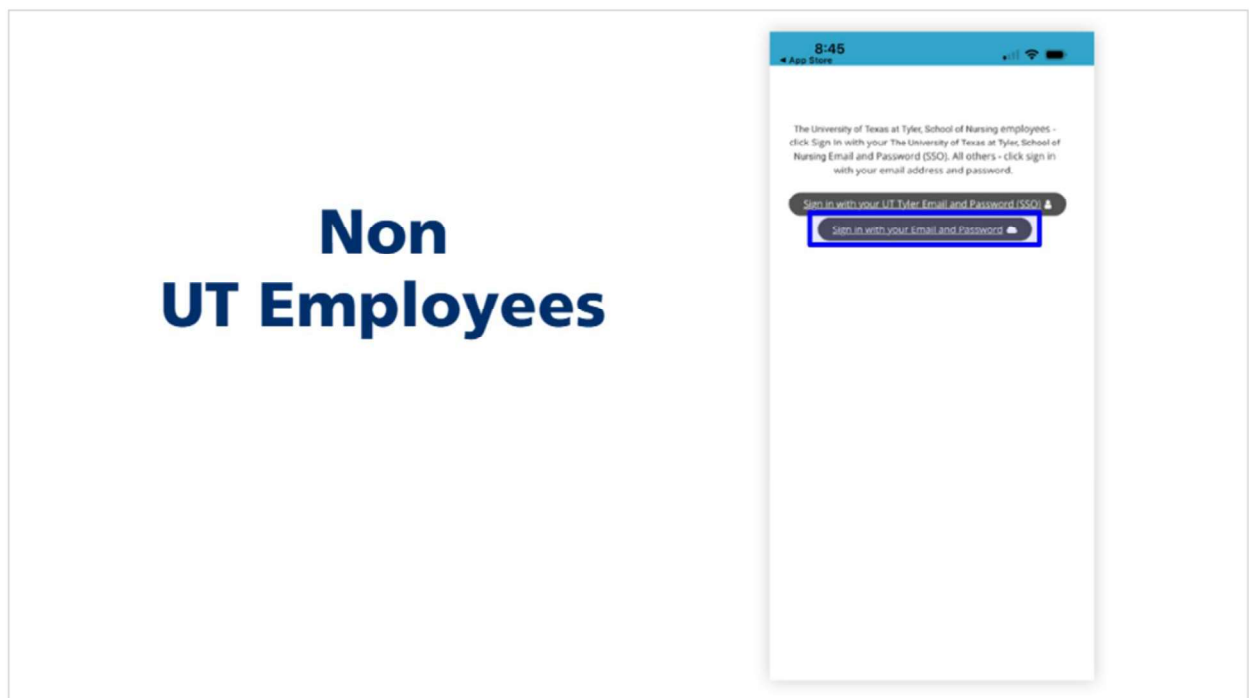

The next step prompts you to “Login or Create Account”. Click on this button to proceed.

University employees sign in with your UT Tyler email and password, SSO.

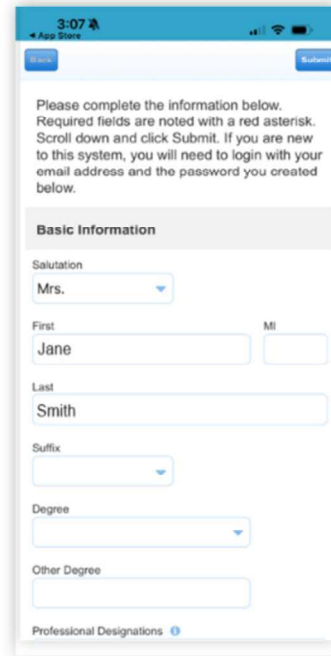

A Duo authentication request will be sent to your phone to verify your identity. Once completed, re-open the app to login.

Individuals who are not UT employees should click the “Sign in with your email and password” button.
